

SOUTH WEST MUDFEST

Muddy Good Fun for All!

It's time for the **WHOLE** family to get dirty these school holidays as the South West Mudfest returns for another epic year of mud, mess and mad good times on July 7.

In what has truly become the mud run for everyone, the South West Mudfest has undergone some awesome changes for 2018. While we're still all about fun, family, not taking yourself too seriously and having a laugh with friends, this year's course has been tweaked to ensure an even better time is had by all – whether you have two legs or four!

The Mud Mayhem course is a super friendly 5kms and will once again be set in the paddocks surrounding long-time favourite venue, Bootleg Brewery. Each of the course's 34 obstacles, featuring a mix of long-time favourites and some brand new surprises, have been designed to give participants a challenge, but be achievable and fun at the same time. You don't need to be a fitness fanatic to complete any of the obstacles and you can even choose to skip any obstacles you wish. If 5kms just isn't enough muddy fun or you want to have another crack at the mud-tastic obstacles, you can have another go with the Dirty Double. Anyone up for a second round receives a 50% discount off their second registration.

The South West Mudfest is recommended for those aged 9 and over.

And for the first time in 2018, literally **EVERY** member of the family can have a muddy good time!

Following in the paw-prints the nations' first ever mud race for our pooch pals at sister event the Swan Valley Mudfest in 2016, the Muddy Paws Challenge has wagged its way into the South West.

The Muddy Paws Challenge is an awesome canine-friendly modified version of the 5km Mud Mayhem Course and we've worked closely with our charity partner, the RSPCA WA, to ensure a course that's safe, fun and definitely doggy do-able. Your pooch will have an epic time dashing through the dirt, tackling the paw-some obstacles, making a muddy mess and a wonderful wash-down at the very end, all the while raising funds for an exceptional cause.

The Muddy Paws Challenge is suitable for all pups and dog lovers of all ages from 9 years and up.

And in a move that's sure to please mum and dad's hip pockets, registrations have gone down in price this year to a friendly \$66 + booking fee, with a portion of every registration going toward supporting the wonderful work of the RSPCA WA. And in even better news, if you register a group of 4 or more people in one transaction you get a further 20% discount! Bootleg Brewery's famous burgers and bevies, previously included in the ticket price, are now optional to purchase at the end of the course.

The South West Mudfest supports the local community and will once again be raising funds for the local Margaret River sporting clubs. Don't forget a gold coin donation for parking and valuables drop to go toward these efforts.

The South West Mudfest acknowledges the support of its partners Bootleg Brewery, the City of Busselton and the RSPCA WA.

Tickets available at www.mudfestwa.com.au/southwest for \$66 + booking fee.

Mud Mayhem and Dirty Double course waves commence from 9.00am in 10-minute intervals.

Muddy Paws Challenge starts at 1.30pm.

All children 14 years and under must run the entire course with an accompanied registered guardian and all children from ages 15 to 18 must have a parent guardian waiver signed upon registration.
